**RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION and  
CHANGE OF AGENT AND CORRESPONDENCE ADDRESS**

Dear Sir,

In response to the Notice to File Missing Parts of Application dated August 21, 1998, Applicants enclose the following documents:

- 1) An original Declaration/Power of Attorney executed by the three inventors; and
- 2) Copy of Notice to File Missing Parts of Application.

\* Please note that the enclosed Declaration sets forth a different agent and correspondence address than the transmittal letter filed with the application. Accordingly, all future correspondence should be addressed to the undersigned agent of record at the address given below.

Please also note that an original Verified Statement Claiming Small Entity Status as a Non-Profit

Organization, executed on behalf of the Assignee, Queen's University at Kingston, and three original Verified Statements Claiming Small Entity Status as an Independent Inventor, executed by the three inventors, were filed when the instant application was filed. It is therefore believed that Applicants qualify for small entity status. Accordingly, please deduct the outstanding fees totalling \$853.00 (Surcharge under 37CFR 1.16(e) of \$65.00 plus Basic Filing Fee of \$395.00 plus Additional Claims Fees of \$393.00) from our deposit account No. 17-0110. This sheet is being submitted in duplicate.

Any questions concerning this application should be direct to Carol Miernicki Steeg (Reg. No. 39,539) or trainee Stephen Scribner at 613-545-2342.

Respectfully submitted,
